

**DS-XS6627-E/DG**  
**Free-standing Cabinet**

- The Hikvision E-type server cabinet is compatible with 19 inch international standard floor standing glass door or perforated door cabinets. The cabinets are all made of high-quality cold-rolled sheet metal. Mainly used in data centers such as finance, securities, and data centers, it is specially designed for servers and can provide a high-performance and stable working environment for equipment in cabinets.
